

2017 Symposium: Predator Identification & Survivor Support

Understanding the Motives and Methods of the Child Super Predator

July 29, 2017 8:00 a.m. - 5:00 p.m.
First Christian Church
139 East Main St.
Somerset, PA 15501

Symposium Overview

Presentation topics include:

- Legislative update by a state representative
- A pastor's profile of the Super Predator, the role of survivors as "guardians," and the need for churches to support survivors
- Announcement of Church Protect's initiatives
- A chaplain's perspective of the "highly religious" child molestor
- The problems and deficiencies with current approaches to Sex Offender Assessment and treatment in prison
- What the general public does not see of the child sex offender's criminal mindset
- The parole process and how the church can collaborate for better supervision
- Intro to survivors' support services and how churches can better meet survivors' needs
- Testimony of two survivors and what church leaders need to know
- Testimony by the wife of a super predator
- Q & A with survivors
- Presentation of CEU Certificates and Verification of Attendance Certificates. (Must pre-register to receive certificate at event. All others will be emailed.)

Cost for general public: \$25

Cost for CEU certificate (includes admission):

Professionals: \$125

Interns and Students: \$50
